Dear Mr. Moloney,

I refer to the above case reference regarding your complaint against Dr Dominic Harmon.

The Preliminary Proceedings Committee (PPC) met on and formally assigned your complaint to me in my role as case officer. The PPC directed that I carry out the following investigations in relation to your complaint:

- (a) Issue a notice pursuant to Section 59(7) of the Medical Practitioner Act 2007 requesting Dr Dominic Harmon to respond specifically to the allegations set out in the complaint of Mr Nicholas Moloney, submitted by email dated 02 December 2019.

When the above investigations have been carried out, all information obtained during the course of the investigation will be sent to Dr. Harmon so that he can supply the PPC with any information that he believes should be considered.

All information relating to the complaint will then be considered by the PPC at its next available meeting. At that meeting, the PPC can form an opinion regarding your complaint or direct further investigations be carried out.

If you have any queries regarding this matter, please contact me.

Yours sincerely,

Darren Smith
