Hi there once again,

May I change the following on my repeat prescription please.

Remove Amitriptyline 25mg - 1 at night

Add Stillnoct 10mg as per attached and I will bring in the prescription tomorrow.

Many thanks,

Nick.

Hi Everyone,
May I ask for a repeat prescription please:
Durogesic DTrans 75 micrograms / hour, 1 every 3 Day
Amitriptyline 25mg - 1 at night
Tizanidine Actavis 4mg Tablets, 2mg to be taken twice a day
Many thanks,
Nick.
